

Cherry Merry Muffin Podcast

Hello, thanks for having stayed subscribed! This feed URL has changed; I decided to create my own RSS feed instead of going through a blog and feedburner.

Anyway, it means that you may have to re-subscribe to the Cherry Merry Muffin Podcast using this RSS feed:

<http://www.merrymuffinland.net/podcast/cmmfeed.xml>

The older feed may be deleted over the next month or so.

If you encounter any trouble by changing the feed, I would be glad to help you. Feel free to contact me with any questions at podcast@merrymuffinland.net

Please forgive me for the trouble this may cause.

Thanks,

Green Eyes Girl
